

## TECHNICAL INFORMATION E-CIGRE

Which documents? Who can get them? How?

### 1. Which information is available from e-cigre?

The library lists CIGRE publications dated 1968 and later. As a general rule, older publications are not: it is necessary to contact the Central Office, if interested in, at [publications@cigre.org](mailto:publications@cigre.org)

Available publications:

- ❖ **Technical Brochures** are comprehensive technical reports produced by Study Committees;
- ❖ **Reports** from WG or TF are shorter publications;
- ❖ **Session Papers** discussed at CIGRE Sessions;
- ❖ **ELECTRA** papers:
  - Executive Summaries of Technical Brochures,
  - Reports from WGs,
  - Invited papers which are produced outside the working Bodies of CIGRE.
- ❖ **Sets of papers** from Sessions or Symposia (paper back or CD);
- ❖ **Set "30 years of ELECTRAS"**.

### 2. Which formats for the publications?

- ❖ Most of the publications are available in paper format. Main exceptions are the sets of papers on CD.
- ❖ Recent publications are usually also available in digital: All Technical Brochures are available in digital, Session papers from 1996 on and ELECTRA papers after 2000 as well;
- ❖ Sets of papers from recent Sessions and Symposia are on CDs.

### 3. Who can get the publications and how?

- ❖ Digital documents are available for members only. They can download them free of charge;
- ❖ Other formats (Papers, CDs) are accessible to members or non members:
  - They have to be ordered from the Central Office of CIGRE, and paid for to the Central Office;
  - Delivery is against payment, price for members is half the price for non members.

### 4. Pricing policy (for paperback items)

- ❖ Price of Technical Brochures will depend on the actual cost of edition;
- ❖ To take into account the time spent on search, expedition, accounting process, the price for Session papers and ELECTRA reports is 25€ per publication, for members;
- ❖ Price for members is half the price for non members;
- ❖ Displayed prices are prices excluding taxes.

### 5. Intellectual ownership of CIGRE publications; CIGRE liability

- ❖ Intellectual ownership of publications is with CIGRE and copy is restricted to personal use only;
- ❖ CIGRE does not accept any responsibility or liability as to accuracy or exhaustiveness of its publications.
